# Freedom Football (FF) Terms & Conditions

1. Freedom Football (FF) membership is available to Sports Club members and non-members aged 16 or over. For members it is an “add-on” category which will be automatically cancelled if and when your main membership (Family, Joint, Individual etc) is cancelled.
2. FF members may attend unlimited football sessions free of charge. The current session runs on Mondays from 7-9pm on the main astro.
3. Payment is by monthly Direct Debit. Monthly Direct debits will be collected on or about the first working day of each calendar month. For existing DCSC members this may be the same bank account as the regular membership, or a different one. If a different account is preferred then a new Direct Debit mandate must be completed and signed.
4. Freedom Football Direct Debits will be drawn separately from the regular membership subscription, using a 9 digit reference number, your original membership number plus a 3 digit suffix. Please note that the Direct Debit will appear on your bank statement as “DCE Ltd.”
5. A pro-rata subscription to cover the period between the joining date and the first Direct Debit payment is payable by cash, cheque or credit/debit card at the time of joining. There is no joining fee.
6. FF membership may be cancelled by giving one month notice by letter or email to the Sports Club Membership Secretary. There is no minimum term contract. For existing DCSC members FF membership may be cancelled without affecting the main membership category.
7. **Prior to attending sessions all FF members will be required to sign in and membership validity will be checked against current member lists by a member of staff. The Club reserves the right to refuse admission to sessions where membership is suspended or terminated.**
8. FF membership will be suspended immediately if the Club is unable to collect a due Direct Debit payment. FF members will be informed in writing if this situation arises, and missed payments can be made using cash, cheque or card at Club.
9. Membership prices are reviewed annually with changes normally taking effect from 1 September. FF members will be informed of any changes to their Direct Debit in writing at least 30 days prior to implementation.
