That reason will usually have been asserted under this Privacy Notice or may otherwise exist under some form of contract or agreement with you.

5. Information sharing with third parties

Information about our club users is an important part of our business and we do not sell it to others.

We may employ other companies and individuals to perform functions on our behalf. Examples include sending postal mail and e-mail, removing repetitive information from member lists, analysing data, and providing marketing assistance.

We receive administrative support in a number of areas from Dulwich College (including financial, HR, accounting and legal). Your personal data may be shared with Dulwich College in those contexts.

Third party service providers have access to personal data needed to perform their functions but may not use it for other purposes. Further, they must process the personal data in accordance with this Privacy Notice and as permitted by data protection law.

We release account and other personal data when we believe release is appropriate to comply with the law; enforce or operate our membership or other agreements; or protect the rights, property or safety of the Sports Club, our members or others. This includes exchanging information with other companies and organisations for fraud protection and credit risk reduction. Obviously, however, this does not include selling, sharing or otherwise disclosing personally identifiable information from members for commercial purposes in a way that is contrary to the commitments made in this Privacy Notice.

6. How secure is Information about me?

We maintain physical, electronic and procedural safeguards in connection with the collection, storage and disclosure of personally identifiable information. Our security procedures mean that we may occasionally request proof of identity before we disclose personal data to you.

Our website may include links to other websites. We do not provide any personally identifiable customer information to these advertisers or third-party websites.

8. International Transfers

Some of the IT systems and facilities we use are provided by third party suppliers who are based outside the European Economic Area¹ (EEA) or who use data storage facilities outside the EEA. While some countries have adequate protection for personal data under applicable laws, in other countries we will take steps to ensure appropriate safeguards apply to it. These include imposing contractual obligations of adequacy or requiring the recipient to subscribe to or be certified with an international framework of protection.

9. How long do we keep personal data?

We retain personal data securely and only in line with how long it is necessary to keep for a legitimate and lawful reason. Our current retention period is for three years after a member leaves the Club, except for financial data which for tax reasons we need to keep for six years.

10. Data accuracy and security

The Sports Club will endeavour to ensure that all personal data held in relation to an individual is as up to date and accurate as possible. Members should please notify the Sports Club Manager of any significant changes to important information, such as your contact details.

The Sports Club will take appropriate technical and organisational steps to ensure the security of personal data about individuals, including policies around use of technology and devices, and access to Sports Club systems. All staff will be made aware of this policy and their duties under Data Protection Law and receive relevant training.

11. Your rights

Individuals have various rights under Data Protection Law, including the right to access their personal data and in some cases to ask for it to be erased or amended or for the Sports Club to stop processing it (subject to certain exemptions and limitations).

Any individual wishing to access or amend their personal data or wishing it to be transferred to another person or organisation, or who has some other objection to how their personal data is used, should please write to the Sports Club Manager, Dulwich College Sports Club, Dulwich College, Dulwich Common, London SE21 7LD. Email: sharpeg@dulwich.org.uk

¹ The European Economic Area comprises the European Union, Iceland, Norway and Liechtenstein

Please note that certain data is exempt from the right of access. This may include information which identifies other individuals, or information which is subject to legal professional privilege.

12. Subject Access Requests

The Sports Club will endeavour to respond to any Subject Access Request as soon as is reasonably practicable and in any event within statutory time-limits. The Sports Club will be better able to respond quickly to smaller, targeted requests for information. If the request is manifestly excessive or similar to previous requests, the Sports Club may ask you to reconsider or charge a proportionate fee, but only where Data Protection Law allows it.

Children can make subject access requests for their own personal data, provided that, in the reasonable opinion of the Sports Club, they have sufficient maturity to understand the request they are making. Indeed, while a person with parental responsibility will generally be expected to make a subject access request on behalf of younger children, the information in question is always considered to be the child's at law. Children aged 13 and above are generally assumed to have the requisite level of maturity to make a subject access request themselves, although this will depend on both the child and the personal data requested. All subject access requests from, or on behalf of, children will be considered on a case by case basis.

13. Queries or concerns

If you have any query about this Privacy Notice or believe that the Sports Club has breached the data protection legislation, please contact the Clerk to Governors, Dulwich College, Dulwich Common, London SE21 7LD. Telephone: 0208 299 9306. Email: legal@dulwich.org.uk

You also have the right to take any complaints about how we process your personal data to the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (Tel: 0303 123 1113 Website: www.ico.org.uk/concerns). Please note that the ICO recommends that steps are taken to resolve matters with the relevant organisation first, before involving the ICO.
