

Refer a Friend

Dear Member

The best way to keep fit and have fun is to come along to your sports club with friends and family. Please use the voucher below to refer a friend or family member who has not previously held a membership with Dulwich College Sports Club. There is no commitment to your referred member other than a 1 month notice period, however after 3 months of their membership subscriptions, you will also receive a 1 month payment holiday.

You can recommend as many new members as you wish and each new individual, joint, or family membership will win you a payment holiday!

Your family and friends must present the voucher below at the time of joining. Should you have any queries at all, please email me at sharpeg@dulwich.org.uk.

Yours faithfully
Gary Sharpe
 Sports Club Manager
